

Confirmation

This is to confirm that

C.E. Roeper GmbH
Hans-Duncker-Straße 13
21035 Hamburg
Germany

has implemented and maintains a Management System

according to

Food Safety System Certification 22.000

Through a certification audit for
DIN EN ISO 9001:2008 and DIN EN ISO 22.000:2005 it is verified that
additional criteria of FSSC are fulfilled.

The result is based on an audit sample on 28th/29th January 2015.

The management system is predicated on the requirements of
FSSC 22.000:2005 / ISO 9001:2008. The implementation is described in the
quality manual of the company.

Area of application:

Raw materials for food, animal feed and technological products for
pharmaceutical industry.
