

Confirmation

This is to confirm that

C.E. Roeper GmbH
Hans- Duncker- Straße 13
21035 Hamburg
Germany

has implemented and maintains a Management System
according to

Food Safety System Certification 22000

Through a certification audit for
DIN EN ISO 22000:2018 it is verified that additional criteria of FSSC are
fulfilled.

The result is based on an audit sample of DIN EN ISO 22000:2018 on
02th February 2022. The management system is predicated on the
requirements of FSSC 22000:2018. The implementation is described in
the quality manual of the company.

This certificate is valid for three years until the DIN EN ISO 22000:2018
certificate expires.

Area of application:

Raw materials for food, animal feed and technological products for
pharmaceutical industry.

Hamburg, 02.02.2022
